PAIN MANAGEMENT

ECMC

898-4995

There are specific instructions for new patients at the PM Clinic.

The following paperwork from the PCP is required:

- 1) A demographic/face sheet that includes:
 - Patient name
 - Current address & telephone number
 - Date of Birth
 - Insurance information
 - Social security number
- 2) List of medications & allergies
- 3) Primary Care Physician/Gold Choice referral
- 4) A dictated letter of patient's most recent visit from the referring doctor.

Faxed to: 898-4619 Attn: Pain Management (anything over 10 pages need to be mailed to us)

*very important we are a consulting practice, so we will eventually discharge patients back to the primary care physician. So we will **NOT** write out any pain medication. Please let the patient be aware of this and have them ask their doctor if they will be willing to write out the scripts.*
